

So you just got your AWESOME Cardboard Cutout...

Your Cutout is held in its cardboard frame by small perforated areas that help hold your new cutout safely in its shipping cocoon. These tabs may separate easily, but you may need to cut them free with a knife.

Assembly Instructions

1. Unfold Cutout and Easel. Lay cutout face down on a clean, dry surface.
2. Fold Easel lengthwise along score, creating flap.
3. Remove paper backing from adhesive or velcro strip from flap. Attach to spine of cutout.
4. Press flap firmly onto cutout.
5. Fold over half moon and crease small flap.
6. Remove paper backing from adhesive or velcro strip on half moon flap.
7. Press half moon flap firmly onto cutout.
8. Stand Cutout up and Enjoy!
